

OVO5 is your standard sized budget cabinet speaker of choice! Budget and quality sound are united in this elegant low-impedance speaker. Its fresh and young design fits into any décor or interior style. OVO5 can be used for covered outdoor use, and is available in black and white color. They can be painted in any RAL color from a minimum of 12 pieces (ref.: PAINTCAB6). The included bracket allows flexible positioning, while the sturdy ABS plastic housing guarantees years of trouble free musical enjoyment. Quick-Fit cable clamps ensure quick and easy mounting. Affordable, but by no means a compromise on sound quality –typically APart!
