

XR20

BEAT PRODUCTION CENTER

DRUM MACHINE MEETS HIP-HOP.

The XR20 is a portable beat production center loaded with a sound set that is geared towards making Hip-Hop and R&B beats wherever and whenever inspiration strikes.

Over 700 pre-loaded sounds, and an integrated effects engine for Reverb, EQ and Compression put you in full control of your beat production. A microphone input is even included for mixing vocals with your patterns. Brilliant backlit pads provide visual cues for added beat precision.

The XR20 features sounds of standard and electronic drums, single (one-shot) hits, bass and synth sounds to easily create your maximum mix in minimal time.
