KOMPLETE			
	Complete Audio 6 Premium-quality 6-channel audio interface that picks up where its predecessor AUDIO KONTROL 1 left off. It provides everything you need to record, play and perform music, with four analog ins/outs, digital in/out, MIDI and low-latency performance — all in a sleek, rugged metal casing. The two mic inputs are armed with high-end pre-amps while Cirrus Logic converters deliver pristine, transparent sound. The COMPLETE AUDIO 6 package also includes COMPLETE ELEMENTS, with over 1000 sounds and effects, plus software for recording, sequencing and DJing. • 4 analog inputs: 2 balanced mic/line/instrument (XLR); plus 2 balanced line (1/4" TRS) • 4 balanced analog outputs (1/4" TRS) • Digital stereo input and output (S/PDIF / RCA) for lossless signal transmission • MIDI in/out for master keyboard, MASCHINE or any third-party MIDI controller • Headphone output with independent level control and source switch • Completely USB powered, with an extra sturdy custom USB socket	190,83	229,00 EUR
	KOMPLETE 9 ULTIMATE THE ULTIMATE INSTRUMENTS & EFFECTS COLLECTION! The entire range of COMPLETE Instruments and Effects* in one uncompromising bundle — the last word in NI excellence. • 65 COMPLETE products, 16,000 sounds, 370 GB • Complete creative suite for audio production • Simple installation from dedicated hard drive. KOMPLETE 9 ULTIMATE delivers the entire range of 65 COMPLETE Instruments and Effects in one package* — premium sonic tools with unrivalled power for production, composition, live performance, and sound design. Get KONTAKT 5, REAKTOR 5, and GUITAR RIG 5 PRO, plus the monosynth MONARK and the re-designed BATTERY 4. You'll also get SCARBEE RICKENBACKER® BASS, ACTION STRINGS, SESSION HORNS, ABBEY ROAD VINTAGE DRUMMER, and DAMAGE for truly limitless possibilities. And the REVERB CLASSICS, PREMIUM TUBE SERIES, and SOLID MIX SERIES deliver a complete studio effects suite. KOMPLETE 9 ULTIMATE weighs in at 370 GB of premium sound content — which is why it comes on its own dedicated USB 2.0 drive. COMPLETE Instrument and Effects integrate perfectly with MASCHINE and MASCHINE MIKRO.	832,50	999,00 EUR
	KOMPLETE 9 THE COMPLETE INSTRUMENTS & EFFECTS COLLECTION. The industry-standard collection for production, performance, and sound design — at an unbeatable value. • 33 products, 12,000 sounds, 120 GB • Comprehensive creative production suite • With MONARK, BATTERY 4, and the SOLID MIX SERIES; KOMPLETE 9 delivers 33 full-fledged instruments and effects, 12,000 inspiring sounds and over 120 GB of premium samples. Now including MONARK monosynth, BATTERY 4 drum sampler, the enormous sound of THE GIANT, and the ultra-playable SESSION STRINGS. Plus all-time classics like KONTAKT 5, REAKTOR 5, GUITAR RIG 5 PRO, the mighty MASSIVE, FM8, and ABSYNTH 5. COMPLETE's entire line of instruments and effects integrate perfectly with MASCHINE and MASCHINE MIKRO.	415,83	499,00 EUR
MASCHINE			
	Maschine MKII (Black/White) GROOVE PRODUCTION STUDIO. Available in black or white! MASCHINE has already established itself as the ultimate integrated hardware/software system for creating beats and tracks professionally. MASCHINE is constantly evolving. The latest MASCHINE generation delivers: New hardware — now in black or white, with new multicolored pads. New 1.8 software — free update, with color coding and new effects. MASSIVE on board — legendary synth for all MASCHINE users Customize MASCHINE — new CUSTOM KITS and the MASCHINE STAND. MASCHINE comes with over 6 GB of ready-to-use, professional and inspiring sounds. Create rhythms and melodies right away with the included drum kits, one-shot samples, basses, synths and acoustic instruments — all fully tagged for easy browsing.	499,17	599,00 EUR
	Maschine Mikro MKII (Black/White) MASCHINE MIKRO is the ideal entry point into the world of MASCHINE — build beats and grooves in seconds using the exact same software as the full version with more compact hardware control. Now available in white or black, the newly redesigned MIKRO hardware also boasts stunning, highly sensitive, multicolor pads and the new color-coding system. With the latest MASCHINE 1.8 software included, MIKRO adds a host of new features, workflow optimizations and sounds to the powerful and intuitive software — including the full version of MASSIVE. MASCHINE MIKRO comes with over 6 GB of ready-to-use, professional and inspiring sounds. Create rhythms and melodies right away with the included drum kits, one-shot samples, basses, synths and acoustic instruments — all fully tagged for easy browsing.	290,83	349,00 EUR
	Maschine Custom Kit MATCH YOUR STYLE! Make your MASCHINE match your style. With the MASCHINE CUSTOM KITS, you can customize the new MASCHINE hardware to suit your own taste. Made of light but resilient aluminum, and available in five coordinated color schemes, each kit contains a magnetic faceplate and one set of corresponding, ergonomically-designed colored knobs. Alongside your hardware's multi-color pads, the MASCHINE CUSTOM KIT is sure to add some color to your performance. Each CUSTOM KIT contains: 1 magnetic faceplate, made of brushed aluminum with a high-quality, gig-proof finish; 8 aluminum encoder knobs and 1 master knob; Cap remover. Note that MASCHINE CUSTOM KITS can only be used with the MASCHINE MK2 hardware (black or white edition). Available colors: Dragon Red, Pink Champagne, Smoked Graphite, Solid Gold and Steel Blue	24,17	29,00 EUR
	Maschine Stand The MASCHINE STAND is an essential accessory for anyone using MASCHINE. It fits both first generation MASCHINE models and the new black and white MK2 hardware controllers, and includes a Mounting Adapter for use with standard drum hardware. Made of robust aluminum, with a black anodized finish and rubber pads for non-slip grip, the stand is designed to provide a strong hold, maximum visibility and improved ergonomics for both studio and stage. The MASCHINE STAND is not compatible with MASCHINE MIKRO.	57,50	69,00 EUR
TRAKTOR			
	Traktor Kontrol Z1 new TRAKTOR KONTROL Z1 is the most portable two-channel mixer and audio interface for TRAKTOR DJ and TRAKTOR PRO 2. The Z1's separate headphone cue lets you pre-listen to tracks for ultra-smooth mixes. Pro-quality 24-bit / 96 kHz converters mean your sound hits the crowd with sparkle and punch. Chunky, high-end buttons, knobs, and encoders give you solid control over your digital DJ setup. And with the Z1's plug-and-play connectivity, set up is lightning-fast. KEY FEATURES: • Premium 24-bit soundcard with high-output stereo master output and low-latency headphone cue; • Dedicated mixer with 3-band EQ, gain, filter, and pre-listen control for each channel; • Pro-quality, precision knobs and faders, and high-visibility backlit buttons and meters; • Charges your iPad or iPhone while you play; • Includes TRAKTOR LE 2 software	165,83	199,00 EUR
	Traktor Kontrol Z2 2+2 CHANNEL CONTROL MIXER. TRAKTOR KONTROL Z2 puts our most advanced DJ controller in the body of a professional 2+2 channel mixer — TRAKTOR SCRATCH included. 2 stand-alone channels + 2 full Remix Channels / Sturdy aluminum chassis, with Innofaders™ / Intuitive control of Macro FX, and Flux Mode. Z2 is the world's first 2+2 DJ control mixer. Built tough for pro club use, the Z2 excels both as a state-of-the-art club mixer alongside turntables and CDJs, and as the hub of an advanced setup of Remix Decks and controllers.	665,83	799,00 EUR
	Traktor Kontrol F1 The definitive and only hardware for controlling TRAKTOR's powerful Remix Decks, with 16 stylish, multi-colored pads to fire loops and one-shot samples and the full version of the flagship software TRAKTOR PRO 2.5. Get started in seconds — the KONTROL F1 includes around 1.4 GB of premium grade sound, pre-loaded as Remix Sets. Or you can import your own samples, and even capture loops and sounds live, using the controller's stylish multi-color pads and ergonomic faders. Expand the creative potential of any TRAKTOR set-up — with or without timecode vinyl — and transform your DJ set into a dynamic live performance.	207,50	249,00 EUR
	Traktor Kontrol X1 MKII new Already the standard for performance DJ controllers, the mighty TRAKTOR KONTROL X1 delivers as much power as portability controlling TRAKTOR decks and effects. Whether DJing all-digital, or using timecode control, the new X1 now delivers added instant control over all essential DJ functions on 2 track decks for seamless command of TRAKTOR software and a design that feels instantly familiar. • Control two track decks and two TRAKTOR FX units • Touch strip controls track position, pitchbend, loops and FX • RGB back-lit triggers identify cue points from loops or markers	165,83	199,00 EUR
	Traktor Kontrol X1 SPECIAL OFFER From the makers of TRAKTOR comes TRAKTOR KONTROL X1 — the perfect add-on controller for super-intuitive control over TRAKTOR's looping, cueing, syncing and effects. With precision-designed robust knobs and plug-and-play functionality, this sleek hardware is the perfect controller for DJs. What's more — it also comes with the full flagship version of TRAKTOR PRO 2.5 with Remix Decks™ included! Ultra-smooth communication with TRAKTOR via Native Instruments' high-resolution protocol gives the hardware a more precise feel compared to regular MIDI controllers. All buttons and knobs have been pre-mapped for optimum TRAKTOR use but can be re-configured in any way you like. You can find and share useful customized mappings in our User Library.	146,67	176,00 EUR

Model	Description	EUR Netto (ex. VAT)	EUR + 20% DDS (incl. VAT)
 Traktor Kontrol STAND	The TRAKTOR KONTROL STAND's robust design provides optimal placement of TRAKTOR KONTROL F1 or X1* for performance and assures ultimate protection on the road. • Ultra-stable construction for solid performance. • Raises your F1 and X1 to standard mixer height. • Doubles as a sturdy case for road-ready protection	40,83	49,00 EUR
 Traktor Audio 2	TRAKTOR AUDIO 2 is the smallest USB DJ soundcard in the world, yet packs enough punch to rock the world's biggest clubs. Built using the same technology as the acclaimed, award-winning range of TRAKTOR interfaces, TRAKTOR AUDIO 2 comes with the full version of the flagship DJ software TRAKTOR PRO 2.5 with Remix Decks* included! TRAKTOR AUDIO 2 is built on the established and award-winning design of NI audio and hardware gear. High-end Cirrus Logic® AD/DA converters plus state-of-the-art chip technology and driver architecture ensure top sound quality and low latency for professional use on stage and in the studio.	82,50	99,00 EUR
 Traktor Kontrol S2	TRAKTOR KONTROL S2 is the most professional 2-deck controller on the market. With pro credentials throughout, the 2+1 design couples the most essential items for any DJ — 2 decks and a mixer — with controls for multi-effect units and a third channel for samples. Set it up in an instant and dive right into the mix. Rugged and highly portable, TRAKTOR KONTROL S2 is the only controller of its size to come with the full version of TRAKTOR PRO 2 included - the same software that pro DJs of all genres use. With TRAKTOR 2 Technology inside, the S2 is tuned for maximum intuitiveness and creativity – resulting in an intensely fluid and fun mixing experience.	415,83	499,00 EUR
  Traktor Kontrol S4	Native Instruments revolutionized the DJ world nearly a decade ago with the introduction of TRAKTOR, the world's first professional DJ software. We've done it all again with TRAKTOR KONTROL S4, the only 4+1 channel DJ performance system designed from the ground up from the team behind TRAKTOR. TRAKTOR KONTROL S4 boasts a full featured 4-channel mixer section with sturdy faders, CUE buttons, illuminated level meters, high-quality 3-band EQs and a filter control knob on each channel. The filter is switchable between Traktor and Xone-style. The ergonomic layout has been created by DJs for DJs, with some of the world's biggest names having direct input in to the design. It's easy to integrate other DJ and performance gear like turntables, CD players or a microphone via the inputs.	499,17	599,00 EUR
 Traktor Scratch A6	TRAKTOR SCRATCH A6 is the straight-up digital vinyl system for spinning MP3s using super-tight vinyl and CD control. The included TRAKTOR AUDIO 6 interface, timecode vinyl and CDs, and the flagship TRAKTOR software provide pro credentials at a very attractive price. TRAKTOR SCRATCH A6 is designed for DJs who need rock-solid performance, amazing audio quality and incredible ease of use. The included TRAKTOR SCRATCH PRO 2.5 software with Remix Decks allows for a new level of creativity - seamlessly merge the worlds of DJing and live performance.	249,17	299,00 EUR
 Traktor Scratch A10	TRAKTOR SCRATCH A10 lets you spin digital files on four track decks using super-tight vinyl and CD control. The next generation of the award-winning digital vinyl system is easier to use than ever, and boasts incredible connectivity via the included TRAKTOR AUDIO 10. This product includes TRAKTOR SCRATCH PRO 2.5 software with Remix Decks – the latest flagship version of the world's most advanced DJ software. Switch any track deck to a Remix Deck and seamlessly merge the worlds of DJing and live performance. Powered by the 10-channel TRAKTOR AUDIO 10 interface - now available exclusively with this product - you can also expand your setup to include TRAKTOR KONTROL F1 for ultimate and intuitive control over the software's Remix Decks.	415,83	499,00 EUR
 Traktor Butter Rug Slipmats	In collaboration with scratch guru Qbert and his Thud Rumble brand, we proudly present TRAKTOR BUTTER RUGS. These super-slim, ultra-slick slipmats will make even the trickiest scratches butter-smooth. The perfect accessory for performing with TRAKTOR SCRATCH PRO and TRAKTOR SCRATCH DUO.	15,83	19,00 EUR
 Traktor Scratch Control Vinyl Black MK1	Available in black. Important: NOT compatible with TRAKTOR SCRATCH 2.1.1 and higher!	15,83	19,00 EUR
 Traktor Scratch Control Vinyl MK2	Available in red, white, blue and clear. ONLY compatible with TRAKTOR 2.1.1. and higher!	15,83	19,00 EUR
 Traktor Kontrol F1 / X1 Bag	Available separately, the TRAKTOR KONTROL BAG is a stylish and slim solution for DJs on the go. The bag can easily be transformed into a solid stand, elevating the TRAKTOR KONTROL F1 (and also the TRAKTOR KONTROL X1) to standard mixer and turntable height. A must-have for travelling DJs and anyone who wants to place TRAKTOR KONTROL F1 alongside a mixer, turntables, or CD decks!	32,50	39,00 EUR
 Traktor Kontrol S4 Flightcase	This robust and reliable case is designed especially for TRAKTOR KONTROL S4. Soft padding on the inside, extremely durable on the outside, perfect for any mobile DJ. Special feature: This case can easily be turned into a rock-solid laptop stand as well as elevating the S4 unit to the level of industry-standard DJ hardware - a compact solution that fits into any DJ booth.	140,83	169,00 EUR
 Traktor Kontrol S4 Trolley	Our TRAKTOR TROLLEY by UDG means more equipment with no compromise on convenience. It's the only trolley available that is large enough to house a controller such as the TRAKTOR KONTROL S4 whilst at the same time meeting the requirements of most airlines for carry on luggage fitting in on-board overhead storage units. It is made of tough, durable material, sturdy in-line wheels for easy transport and immediate mobility.	150,00	180,00 EUR
 Traktor Scratch Replacement Set Cable	A complete spare multicore cable consisting of two parts: one mixer segment (connect turntables/CD player with the mixer) and an "AUDIO 8 DJ Segment" (connecting the mixer segment with the AUDIO 8 DJ).	25,00	30,00 EUR
