 AP-650MBK	RESONANT ENSEMBLE The rich, differentiated sound palette of this CELVIANO model generates authentic acoustics far superior to those of standard digital pianos. RICH SOUND AND RESONANCE WORTHY OF A GRAND PIANO. The CASIO AP-650M boasts a well-balanced automatic accompaniment feature, providing 250 tones and 180 rhythms to give musicians endless possibilities to express themselves. • New multi-dimensional AiR sound source (256-note polyphony) • New Tri-Sensor Scaled Hammer Action II • Synthetic ebony and ivory key surface finish • Variable piano lid • Lid Simulation • Damper Resonance • Hammer Response • String Resonance • Key-off Simulation • 250 tones, 180 rhythms, 60 rehearsal songs • Audio recording function • Sequencer (MIDI, 5 songs x 17 tracks) • Digital effects (including DSP) • Registration setups • Layer/Split/Duet function • Metronome • Full-dot LCD with backlit • 2 headphone jacks • 3 pedals (seamless damper pedal) • Speaker system with 2x30 W • USB interface (PC) • USB flash memory port (storage medium) • MIDI In/Out, Line In/Out • Color: Black	1.083,00	1.300,00	EUR
 AP-700BK	SOUND AND FORM IN TIMELESS DESIGN Much like the GP-300, GP-400 and GP-500, the AP-700 features AiR Grand Sound Source technology and is developed in collaboration with C. Bechstein. It includes numerous impressive features for sound, acoustics and effects. This CASIO digital piano is ideal for ambitious amateur musicians looking for something special to play. • Developed in collaboration with C. Bechstein • AiR Grand Sound Source (256-tone polyphony (max.)) • 26 tones • Volume Sync Equalizer • Hall Simulator • 88 Simulated ebony and ivory keys • Polyphony maximum: 256 • Color: Black	1.414,00	1.697,00	EUR

CELVIANO Grand Hybrid DIGITAL PIANOS

Developed in collaboration with C. Bechstein.

 GP-500BP	ACOUSTIC EXCELLENCE MEETS DIGITAL EXCELLENCE The GP-500 is the revolutionary new model from CASIO, capable of producing the most subtle nuances of a grand piano. Features such as the traditionally crafted wooden keys give this digital piano a feeling of ultimate authenticity from the very first second of playing. Added functions for greater creativity The additional functions in this model from the CASIO CELVIANO Grand Hybrid series, such as Hall Simulator, Concert Play and Scene Setting, give you even more ways to express your creativity. This model was developed in collaboration with C. Bechstein. • AiR Grand Sound Source • 256-tone polyphony (max.) • Natural Grand Hammer Action • Grand Pedal System • Grand Acoustic System • Scene Setting • Color: Black	3.332,00	3.998,00	EUR
 GP-400BK	PERFECT COMBINATION OF INNOVATION AND TRADITION. The GP-400 is the classical digital piano model in the CELVIANO Grand Hybrid series. Much like the GP-300 and the GP-500, the GP-400 comes with three world-famous grand piano sounds. Wooden keys made from high-quality Austrian spruce. The honed look and touch makes musicians feel they are playing an acoustic grand piano. Developed in collaboration with C. Bechstein. AiR Grand Sound Source (256-tone polyphony (max.)) • Natural Grand Hammer Action • Grand Pedal System • Grand Acoustic System • Scene Setting • Number of tones: 35 • Maximum polyphony: 256 • Touch response: 5 sensitivity levels, off • MIDI Recorder • Audio Recorder • Metronome • MIDI - 16-channel multi-timbre receive • Memory: USB Flash Drive, Capacity: up to 32 GB • Weight 85,5 kg • Color: Black	2.916,00	3.499,00	EUR
 GP-300BK	THE BEGINNING OF A NEW ERA. Much like the GP-500, the CASIO GP-300 also produces the finest nuances of the world's most famous grand pianos. The high-quality amplifier system with six speakers creates a complex sound – a sound familiar from acoustic grand pianos. Instrument for a top-class musical experience. Features such as 26 sounds, Concert Play function and Hall Simulator leave almost nothing to be desired for ambitious piano playing. This model was developed in collaboration with C. Bechstein. • AiR Grand Sound Source (256-tone polyphony (max.)) • Natural Grand Hammer Action • Grand Pedal System • Grand Acoustic System • Color: Black	2.499,00	2.999,00	EUR
